DAZZLEJAZZ, Inc. Posting of ART

I have created artwork and/or performed and recorded music (hereinafter "ART") that I wish to have placed on the DAZZLEJAZZ, Inc. ("Dazzle") website (as a part of "Dazzle Presents") for viewing by the general public.

Dazzle will include in the presentation of my ART my full name and the city where I am located. Should anyone viewing my ART wish to purchase the ART, make arrangements to show the ART elsewhere, or discuss with me any performance opportunities, Dazzle will contact me with the interested party's information and I will take responsibility for contacting the interested party in response to the inquiry, should I choose to do so.

- I understand that the purpose of placing my ART on the Dazzle website is for simple enjoyment of those who will view it.
- I also understand and agree that the duration of the placement of my ART on the Dazzle website shall be at the sole discretion of Dazzle with this one exception: I may contact Dazzle at any time and request that my ART be removed from the Dazzle website.
- Furthermore, I agree that no royalty, fee or other compensation for the placement of my ART on the Dazzle website shall, at any time, become payable to me, or to any other person who may at any time represent me.

This Waiver and Release constitutes my permission to post my ART on the Dazzle website.
